Hit Song Mania
 A cabaret review

HITS LIKE YOU'VE NEVER ...

The Nevada Gay Men's Chorus and Friends are ready for some gender-"switching" in this cabaret-style hit song review. Some of our male members have been longing to belt out The Pointer Sisters' "I'm So Excited" and Madonna's "Material Girl," while our female soloists and invited friends bend towards Michael Jackson's "Thriller" and Kate Bush's "Wuthering Heights." Whether it's Donna Summers' "Last Dance" or Elton's "Your Song," it's a night of hits galore, voices that exhilarate and a mix of gender-blender hit songs.
